FOR IMMEDIATE RELEASE

JCCIA Announces Election results for '21-'22

January 4, 2021

The Joint Civic Committee of Italian Americans is proud to announce the unanimous election of Ron Onesti as its new President. Ron will lead the Italian American community in fostering Italian culture while addressing social issues that affect Italian Americans locally and across the country. “Proud, Positive and Unified” is his platform.

The JCCIA is the umbrella organization of almost fifty Italian American affiliate organizations in the Chicago area, and has produced Chicago’s Columbus Day Parade since its inception in 1952.

“I consider it an honor as well as a responsibility,” Onesti said. “There is much to be done to ensure the preservation of our culture and the traditions our parents and grandparents fostered here in America. This ‘JCCI-A-Team’ is committed to facing the challenge and getting it done!”

Onesti has made it clear that the unification of the community is of the utmost importance. “Our community is at a crossroads right now,” Ron said. “This is an incredibly important time in our history. It will be the strength of our numbers that will allow us as a community to maintain our place in society garnering the respect we deserve when it comes to social, cultural, economic or any other issues affecting us,” Onesti said.

Outgoing President Sergio Giangrande, who finished his two-year term, is excited about handing over the torch. “We are proud to have Ron Onesti and the new slate of officers take us into 2021. The Italian American community of Chicago has spoken, and they could not have made a better choice,” he said. “With the environment being what it is, this team has the experience and the knowledge to lead during these challenging times.”

“Now, more than ever, is the time for those who are concerned about the perpetuation of our Italian traditions to get involved and join this great organization,” Onesti said. “Whether it is because of the love of the culture, social experiences or to honor those who came to this country with little more than the clothes on their backs in search of a better life for their families, the JCCIA is the group to be a part of. We have several levels of membership available at <https://www.jccia.com/join-us>”
