Corporate Headquarters

Dear Supporters and Friends,

On Monday October 11, 2021, the annual Chicago Columbus Day parade will again step off. After 18 months of separation, it is time to come together to celebrate. The parade is sponsored by the Joint Civic Committee of Italian Americans and is the largest televised parade and civic celebration sponsored by the Italian American Community.

Through Columbus, the strong bonds between Italy and the United States are forever joined. As we observe Columbus Day, we celebrate and honor all ethnicities that have helped shape this great nation. Together, we stand in cooperation and mutual respect to build a brighter future for all.

This year's parade theme will be a salute to my father Jasper B. Sanfilippo. The son of Italian immigrants, my dad worked his entire life to build the legacy of John B. Sanfilippo & Son, Inc. which will celebrate 100 years in business in 2022. Today the company is one of the largest nut and snack manufacturers in the United States with over \$850 million in sales.

We invite you to participate in the Columbus Day parade to honor my father. Your involvement will help ensure the parade's success as well as further the work of the JCCIA which includes providing student scholarships and working to promote cultural and civic events in the community.

Your generous support of this event is appreciated. Available sponsorship opportunities are attached. Please complete the attached form and return together with your contribution to the JCCIA office, 3800 W. Division Street, Stone Park, IL 60165.

Please see the JCCIA website for additional information: <https://www.jccia.com/columbus-day-parade>.

On behalf of our company and our family, thank you for your consideration.

Regards,

Jeffrey Sanfilippo
